

## Troop 806 Apparel Orders

We have three selections for different occasions:

**#1: Class "B" Uniform**

For Troop Meetings and other occasions where the boys are representing Scouting. If you get one, this should be it.

**#2: Desert Shirt**

Just like the old shirt. Perfect for hot-weather outings where cotton and short sleeves are called for. The cheapest option.

**#3: Cold Weather Shirt**

Moisture wicking synthetic with long sleeves. This is a new offering that can be used as an extra layer or when, as they say, "cotton kills."

*Shirts will have distinctive 806 logos and will be in the new troop colors: Grey with bright green.*
